Projects

Wanderlust Travel Website [Link](#)

Nov 2024 - Jan 2025

- Built an all-encompassing travel website using a modern tech stack, including HTML, CSS, JavaScript, Node.js, Express, MongoDB, and Bootstrap.
- I set up a secure login system with Express and MongoDB to enable personalized travel planning.
- The project features a mobile-responsive, visually engaging interface crafted with Bootstrap to ensure smooth navigation.
- Additionally, I added dynamic tools for destination searching and itinerary building that offer tailored travel recommendations.
